INCLUSIVE WORKING
Getting everybody ready for work

Unlocking Employability: Simple and Fun Lessons for All!

Harnessing our wealth of experience in Supported Internships, we're laser-focused on boosting employability and knowledge skills for neurodiverse individuals and those with learning disabilities.

How? By empowering educators with ready-to-use, engaging lessons that make learning a joy.

From user-friendly eLearning modules to informative handbooks and lively classroom activities, our resources are designed to make learning practical and enjoyable for every student. Teachers find them effortless to use, delivering top-notch employability lessons with ease.

Our mission? To bridge the gap between education and employment, equipping students with the tools they need to shine in the workplace and leave a lasting impact.

How it works!

Student & Teacher registration

Signing up for Inclusive Working is simple for both students and teachers! Just visit **www.inclusiveworking.com** and students can start completing our CPD eLearnings or downloading our resources right away on any device.
It's instant learning right in the classroom!

Unlimited Student Learning

With our one-year licensing model, students have the power to learn at their own pace, unrestricted. There are many options, from dynamic classroom activities to interactive eLearning, reflective learner handbooks, and helpful resources.
But wait, there's more! Our CPD eLearnings not only enrich their knowledge but also provide them with valuable certificates to bolster their CVs!

Empowered Teachers, Empowered Students!

With our meticulously crafted classroom activities and teaching manuals, we ensure that educators and classroom assistants feel well-equipped to facilitate seamless learning experiences. Our goal? Simplify, streamline, and empower!
